

EYNESBURY INTERNATIONAL SCHOLARSHIP SCHEME 2008/2009

Eynesbury International offers a scholarship scheme for international students undertaking study between 01 July 2008 and 30 June 2009.

Up to 10 Scholarships will be made available from 01 July 2008 and 30 June 2009 to international students who have achieved outstanding results in their previous studies in their home country (typically 80% or A grade average) and want to start further studies at Eynesbury International.

Students must be enrolled in either the Senior Secondary School (Years 10, 11, 12) Program or the South Australian Universities' Foundation Studies Program or the Certificate IV/Diploma Program. The Scholarships comprise 50% of the tuition fees for the normal duration of the Eynesbury International Program (a maximum of 1 year).

At its discretion Eynesbury reserves the right to offer 25% bursaries to students who do not meet the above criteria.

Application Process

There is no separate application process for the scholarships. An application for admission to either the Senior Secondary School (Years 10, 11, 12) Program or the South Australian Universities' Foundation Studies Program or the Certificate IV/Diploma Programs in 2008/2009 will constitute an application for a scholarship. All applications for admission consistent with the eligibility and selection criteria will be considered automatically for a scholarship and the offer of a scholarship will be included in the Letter of Offer. No application fee is required to accompany the application for admission.

The deadline for accepting a scholarship is 4 weeks after receiving the offer. If the intake is less than 4 weeks from the date of offer, then the deadline is 1 week after the offer.
